PTO Board:

Still looking for a secretary

Update on Canopy: Michelle Staub- wood shortage has changed prices, no stores in our area carry the wood, price of shipping is out of our budget. Look into commercial canopy.

Ideas of big Budget items to purchase: Band instruments, fine arts funding, stage lights, 2 wireless microphones \$300 each, window wraps, wall wraps.

Set up meeting schedule: Tentative 2nd Tuesday of the month at 5:30. Take a poll during Meet the teacher for time of meeting (during school or evening).

Advertising: Set up Instagram account to reach kids.

Awards: Dr. Ashley will provide PTO with a number of students who qualify for flex time who can receive ice cream sandwiches or something on those days (once a month).

- PTO willing to contribute to food incentives for honor roll. Need to look at budget.
